WE SHARE YOUR PASSION !

2009

Who We Are:

Outdoors Unlimited Inc. is a non-profit organization of disabled and able bodied individuals. Its purpose is to promote friendship, fellowship, mutual understanding and cooperation among disabled people and able bodied associates by encouraging them to participate in outdoor recreation. All individuals, young and old, are welcome to join.

What We Do:

Special events are scheduled, organized and conducted throughout the year by both disabled and able bodied members of this organization. Everyone is a volunteer. Outdoors Unlimited Inc. works closely with the New York Wildlife Commission (NYWC) and other interested organizations to promote and support these special events. Events include special hunting, fishing and shooting events as well other events that the membership wishes to pursue.

To further our cause, Outdoors Unlimited Inc. will work closely with other governing bodies to ensure that new facilities built in the State meet the Americans with Disabilities Act.

(ADA) standards and existing facilities be made as accessible as possible for disabled sports-people.

There are many individuals whose quality of life can be enriched by our organization.

Outdoors Unlimited Inc reaches out to those individuals via our website, special events, outdoor expos and appropriate media coverage.

New membership is encouraged to ensure the continuing productivity of our organization and to help further our ability to promote outdoor recreation.

While social and recreational activities center on these sporting events and are encouraged, for disabled individuals throughout New York, Outdoors Unlimited Inc. does not claim in any way to provide a professional level of medical or rehabilitative care to the participants. Participants are required to sign a waiver of liability for any events sponsored by Outdoors Unlimited Inc.
